

Million Air Cecil Field Detachment Support Facility Rev. 11/21/23

Million Air Detachment spaces and ramps include:

- ✓ 2 separate ramps with plenty of ramp space
 - Ramps can handle at least five tankers with taxi-in/taxi-out capability
- ✓ More than 6,500 square feet of detachment spaces in two buildings (1 for ops, 1 for maintenance) with the following features:
 - Maintenance Control
 - Work centers for maintenance personnel
 - NMCI (Navy/Marine Corps Intranet) in both buildings including NMCI printers (84 drops in Building 10, 26 drops in Building 884)
 - PEMA for maintenance (Navy. Requires advanced setup)
 - High Speed WiFi in both buildings
 - Fax machines
 - IP phones
 - Break room/Kitchen in each building
 - Fully sited (Naval Ordnance Safety and Security Activity) Aircrew Survival Equipment Room (Paraloft) with capacity up to 200 sets of flight gear (50 lbs N.E.W.)
 - Briefing rooms (7 total)
 - 2 Ready Rooms. 1 with three large-screen, computer-controlled monitors for flight/mission information
- ✓ SIPR Access (we coordinate with USCG on a not-to-interfere basis)
- ✓ GSA approved safes for classified storage (located in Class A vault behind several layers of locked access doors) – one 2-drawer and one 4-drawer safe with the X10 locks
- ✓ NSA Approved document shredder for up to Top Secret document destruction
- ✓ Maintenance hangar for aircraft maintenance as needed (adjacent to both Building 10 and Building 884)

Million Air Support includes:

- ✓ 24-hour fuel availability with quick response times. NO missed missions due to lack of fueling priority.
- ✓ Our fleet of refuelers includes:
 - Eight 10,000 gallon refuelers,
 - Five 5,000 gallon refuelers
 - Aircraft defueling capability up to 40,000 gallons
 - 1010 Oil servicing capability
 - Diesel fuel servicing for Ground Support Equipment
- ✓ DLA contract fuel. Use Government AirCard
- ✓ Rapid (Hot) refueling (the first DLA authorized commercial Rapid Refueling site in the United States) for FA-18/F-15/F-35A&B/AV-8/E-2/C-2/CH-53/P-8/KC-135/H-60 (with OJT from supported unit)
- ✓ Gaseous Oxygen

- ✓ Liquid Oxygen (LOX) (Requires 24 hours prior notice)
- ✓ Nitrogen
- ✓ Aircraft power carts
- ✓ Aircraft Air Start Units (Huffers)
- ✓ Certified aircraft grounding points on the ramp
- ✓ Hazardous waste disposal
 - Waste fuel and oil disposal
 - Oily rag disposal
- ✓ International garbage disposal
- ✓ MOGAS
- ✓ Maintenance stands including B-1, B-4, B-5
- ✓ Genie articulated boom lift up to 51 feet
- ✓ Forklifts including 6K, 11K, 15K aircraft rated
 - Pallet skids
- ✓ Cargo unloading/loading with TLD 828 Universal Main Deck Loader. Authorized for use with KC-46 aircraft by FCIF 23-11-03.
- ✓ Air stairs up to KC-10
- ✓ Belt loader
- ✓ Lightning alerting system
- ✓ Close vehicle parking lots

Airfield infrastructure and capabilities include:

- ✓ 12,503 foot main runway and 8,003 foot crosswind runway (200 feet wide)
- ✓ 24-hour Aircraft Rescue and Firefighting including H-70 response plan (Hydrazine)
 - Equivalent to Index D
- ✓ 24-hour Advanced Life Support response
- ✓ 16 Hour Air Traffic Control Tower (Field open 24/7/365)
- ✓ 24 Hour security
- ✓ Close proximity to Warning Areas, MOAs and Pinecastle Target Complex (R2910/2907/2906); Palatka MOA; Live Oak MOA; Coastal MOA; VR-1006 and VR-1007 that commence right from Cecil; Camp Blanding CRTC (R2903/2904) with three drop zones
- ✓ Compass rose
- ✓ High power areas
- ✓ Areas for tent cities for large force exercises

We can provide full-service accommodation support for detachments including hotel selection, contract negotiation, value-added amenities, arrival/departure coordination, billing assistance, sales tax exemption, etc. Take this OFF YOUR PLATE!

Million Air can also assist with car rental needs. We use Hertz Car Rental (preferred) and Enterprise both of which can deliver all vehicles to the detachment site and pick them up upon completion.

We look forward to hosting your training and support at Cecil!
